# MARION COLLEGE

# The Alma Mater

Now fixed on thee our hopes repose,  
O Marion, dear Marion;  
May every year new good disclose,  
O Marion, dear Marion.  
Through all the garish lights that gleam  
To lure us from the paths of truth,  
Thy greatness shineth like a beam  
Of one fair star, O Marion.

And may a grander music wake  
Within thy walls, O Marion.  
And all thy joyful echoes wake,  
O Marion, dear Marion.  
While every faithful daughter calls,  
"Grow greater with each passing year;  
Enlarge thy bounds, enrich thy walls,  
Dear Marion, our Marion."

So may thy noble beauty grow,  
O Marion, dear Marion,  
More stately as the seasons go,  
O Marion, dear Marion.  
We know thou'lt rest unshaken still,  
Though many storms around thee blow,  
Firm-based thy mission to fulfill,  
We honor thee, dear Marion.

## DEDICATION

O what a glory doth this world put on  
 For him who, with a fervent heart, goes forth  
 Under the bright and glorious sky, and looks  
 On duties well performed, and days well spent  
 For him the wind, ay, and the yellow leaves,  
 Shall have a voice, and give him eloquent teachings.

*Scottie, it has been  
 a pleasure to me  
 to know you  
 and I wish you  
 the very best

Longfellow

She has opened our eyes to the beauty of nature through her enthusiasm of the world around us. Her friendly smile and unselfish attitude of sharing her knowledge with her students has helped us to broaden our perspective of life

We dedicate the 1965 HATCHET to you, Mrs. H. B. Eller, with appreciation of your dedicated service to Marion College.

It is a privilege  
to meet new  
people, but not  
know you are in  
the way.

MISS LAURA LEE BOOZE

## The Marion Ideal

To care for what is, rather than for what seems . . .

To be loyal to the traditions of the past, yet open to the discoveries of the present and hopes of the future . . .

To find freedom in knowledge of the truth, beauty in the common sphere of daily living, joy in love and friendship, strength in constructive service . . .

To play happily and work honestly . . .

To believe in God and God's children

To serve where service is most needed . . .

This is the ideal of Marion College.

DR. JOHN H. FRAY

## From The President

"What is a great life?" was asked of a prominent Frenchman. He replied that "it is a thought planted in the mind of youth and carried out in the ripening years of life." The Faculty and Staff at Marion College aspire to achieve such a goal in the lives of you students who are entrusted to our care, hoping that the thinking begun here will guide you into self-less and useful lives.

MISS MARGARET HUMPHREY

## From The Dean

You have played an important part in making this an unforgettable year at Marion College. Your contribution to the life and spirit of the college has made an indelible print on the minds and hearts of all of us. The daily experiences of sharing both obligations and opportunities have brought us to a better understanding of each other.

May the ties of friendship and the personal satisfaction you have derived from learning bring you happiness and security.

## SENIOR CLASS

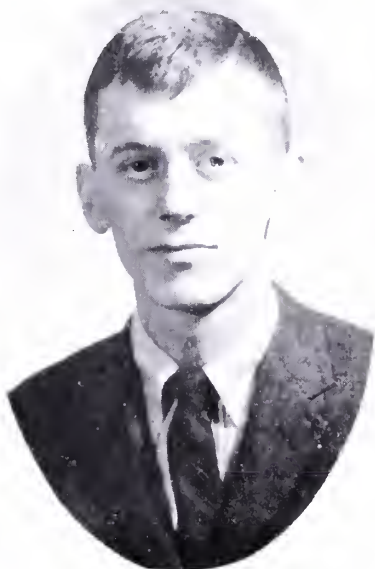

The new calendar on the wall tells us that the time is here—graduation. It seems such a short while ago that we entered M.C., and now we are ready to leave. No matter where our life's work lies in the years ahead, it will undoubtedly be largely influenced by these two years of work, anxiety, fun, and accomplishment. The challenges of the world greet us as we walk across the stage, and into a new life.

Reminiscing through the year's calendar, we remember many important days: our Halloween dance—"Bewitched," our Christmas surprise for the freshmen, May Day, Senior Weekend and the most memorable, our graduation.

## FRESHMAN CLASS

As freshmen, we entered Marion College full of enthusiasm and eager to learn. We could not have learned to adjust to the rules and demands of college without the aid of our "big sisters" and the other seniors. The friends we have made, the experiences we have shared, and the knowledge we have gained will never be forgotten.

The Freshmen Class projects throughout the year were presenting the May Day Program and sponsoring the Senior Graduation Dance.

Her desire is to become a veterinarian.

## Featured Day Students

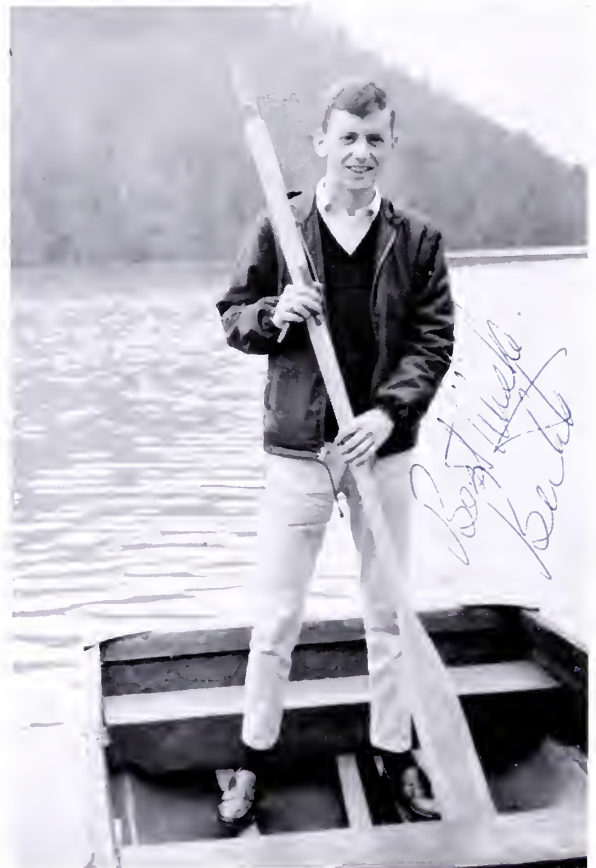

WILMA BALES

Wilma was selected as feature student on the basis of her well-rounded character and her enthusiasm and participation in Marion College activities. As President of Phi Theta Kappa and Treasurer of the Senior Class, she has received many rewarding experiences. Next year, Wilma plans to attend Anderson College, Anderson, Indiana, and major in either Christian Education or math.

RANDALL ARNOLD

## The Student Council

"The purpose of the Student Government Association shall be to preserve student honor, to maintain high college standards, to uphold the honor of the college and to encourage responsibility and loyalty to the student body."

Many students believe, however, the main purpose of the Student Council is to award demerits. The members of the council are not weird creatures or spies. Instead, they are fellow students who enjoy a good time also. These representatives serve as a link between the students and the administration.

The students who serve as Student Council representatives are chosen each year by the entire student body to help carry out the five-fold purpose of the Student Government. At times the responsibilities of the Student Council are difficult and unlimited. We admit that we are not always correct; and we, therefore, ask for the help of the student body. We welcome suggestions and criticisms. Although it is hard to believe at times, the Student Council is your servant and friend. In return it asks for the cooperation and respect of you, the students.

## The Honor Court

"To thine own self be true, and it must follow as the night the day, thou canst not then be false to any man." Shakespeare has here captured the essence of the honor code.

The Honor Court seeks to uphold the Marion College ideal and is concerned basically with the academic phase of student life. It is composed of three members elected by the student body. There are two senior representatives and one freshman representative.

The Honor Court feels that honor and self-respect are indispensable qualifications for a successful person. It is for this reason that the Honor Court strives to uphold the honor code of Marion College.

## Young Women's Christian Association

The Young Women's Christian Association offers an opportunity for participation in social and religious fellowship.

The Big and Little Sis Program, which promotes friendship and understanding between seniors and freshmen, is an important activity of the "Y". Early in October, the Recognition Service is held. Old and new members dedicate themselves to the Y.W.C.A.'s purposes at this candlelight service. During the Christmas season, the "Y" is very busy making the Advent Wreath and conducting weekly chapel services, planning the Christmas dance, and enjoying the fun of Cap Sis Week. Throughout the year, informal sings and three birthday banquets are sponsored by the "Y". Weekly chapel meditations and grace at meals are important aspects of the organization's religious life.

## Phi Theta Kappa

The standards symbolized by the Greek letters  $\Phi\Theta\Kappa$  are wisdom, aspiration, and purity. "The purpose of the society is to promote scholarship, to develop character and to cultivate fellowship among the students of both sexes of the junior colleges of the United States."

The society symbolizes an intellectual accomplishment. To encourage the scholarly atmosphere of the college and to aid in any possible way the growth of the academic standards is the students' purpose.

Some of the activities during the year are tapping, initiation, and a tea honoring the new members. The society sponsored the sale of typing and notebook paper and paperback books and a special program for the students.

## A Cappella Choir

The members of the choir at Marion College are chosen on a competitive basis. The choir director, Miss Elizabeth Steeb, is a persistent, hard working individual who strives to present the choir at its best.

The choir has provided many rewarding experiences for its members. During the year, the choir participated in several musical presentations in Marion and surrounding towns. Highlighting the year was the choir's performance in the college Christmas program and the joint concert of sacred music given by the Ebenezer Lutheran Church and the Marion College Choir.

The Missionary Society, one of the oldest organizations at Marion College, is an interdenominational group which "gives where service is needed." Society members are the "missionaries" who witness through their daily life at college.

As one of the projects this year, a Thanksgiving basket of food was given to a needy Marion family. Also, through the cooperation of teachers and the student body, food and clothes were sent to a family who lost their possessions in a fire.

Through monthly programs, members have learned more constructive ways to serve humanity here and around the world.

The Lutheran Student Association strives to bear witness at Marion College to the Gospel of Jesus Christ and to offer programs whereby its members may deepen and express their Christian faith. A Christmas program was presented by the members in December, and a chapel program observing the Universal Day of Prayer for Students was led by L.S.A. members in February. Ironing clothes and selling popcorn enabled the L.S.A. to sponsor an informal dance in February. In the spring, a retreat was held at Hungry Mother Park.

Members of the L.S.A. enjoy working together for the spiritual and social advancement of the club.

The International Relations Club seeks to promote international understanding. Membership is open to any regularly enrolled student interested in world affairs.

The club carries out its purpose with programs featuring guest speakers and slides and with student participation programs.

At Christmas the club sponsored a round-the-table sing during dinner. Carols from different countries were sung.

The highlight of the year was the spring festival in April. The college gymnasium was the site for displays of articles and literature from other countries in addition to projects depicting world affairs. Entertainment and refreshments typical of foreign countries completed the evening program.

## Society for Prospective Teachers

Most young people who would like to become teachers realize that teaching is not just learning, but it is also the many experiences and activities that one can find in an organization, such as the Society for Prospective Teachers.

This year the S.P.T. has invited an elementary teacher, an arts and crafts teacher, and various other speakers to inform and inspire its members.

Miss Edith G. Hoover organized the S.P.T. at Marion College in 1957.

The Home Economics Club of Marion College is composed of all home economics majors and students who are interested in building a better foundation for their homes in the years to come.

Our purpose is to broaden our scopes of homemaking and introduce us to the advancements of the present as well as the future in the fields of home economics.

This year the club sold pizzas to the hungry dorm students on Saturday nights. Our big projects were selling Marion College stuffed animals to the girls and taking field trips throughout the year.

## The Squib

*The Squib*, under the sometimes frantic leadership of Nancy Rinehart and her staff, is composed of young, aspiring writers with new ideas and a great deal of enthusiasm.

*The Squib*, published four times during the school year, has added new columns and ideas this year. The special first issue was a surprise to all, with memories of the previous spring including Commencement, Last Will and Testament, and Prophecies of the 1964 seniors.

The entire staff worked hard and long to meet many deadlines. With the guidance of Mrs. Anderson, *The Squib* advisor, revisions and additions were made to give Marion College an accurate record of the school year.

We hope you will recall with pleasure the hours spent together here at Marion College. The hopes, fears, joys, and sorrows of college life will always be with you.

This book is made in order that you can recall these memories again and again. What you have made of the Marion College spirit can be seen on every page.

Now it is your yearbook as well as ours. All of us, editors, staffs, and advisors, sincerely hope that you will enjoy the 1965 HATCHET.
